**GOT IT - THANK YOU FOR THE RESPONSE**
Thank you to the terrific and strong community response to the ‘Got It’ briefing last week. Mrs Olivey, Mrs Mizzi and organising staff have done a superb job in ensuring this program gets the attention required. We had a briefing with the Department of Health staff and then parents completed surveys / questionnaires. This program is offered for infants students and parents must be in attendance. We have funding to work with parents and offer such an important program. Mrs Andrews and Mrs Geary will be organising the follow up information for families involved.

**FOOTSTEPS DANCE - TERRIFIC START BY THE CHILDREN**
Our students have made a superb start to the Footsteps Program once again. The instructor has advised me that the students are very keen and enthusiastic; particularly the kindergarten and year 5 and 6 students. Please ensure your children have the correct footwear to join in.

**LIBRARY - MRS LOPEZ**
As most of our families would be aware, Mrs Lopez has taken on the library role for the term in Mrs Franks absence. Mrs Franks is still not well and we hope things get better for her and the family soon. Mrs Lopez has made some minor alterations to the organisation of the library and we are very happy that she has done this based on the student’s needs. Mrs Lopez has taken on this role with pride and enthusiasm and we thank her for this.

**PSSA – SPORT**
Well done on the teams and success for PSSA sport. We had some good results and the students seemed to enjoy the first day of summer PSSA. Thank you to the teachers and...
The school has confirmed a number of improvements this week which include a new resurfacing of the volleyball court (adjacent to Copeland Rd); some fixed tables and chairs; and also the levelling and resurfacing of the play equipment area inside the fixed equipment. These improvements will begin later this term and during the school holidays.

Thank You
Mr T. Miladinovic

**NEWS FROM THE LIBRARY**

Please ensure that your child/ren bring their library bags to school when they have library. If you are unsure there is a library class timetable on display outside the library. All the students need is their Books in Home bag from last year or even a plastic bag with
their name on it. Notes for the Library Monitors will be going home for those students in Year 6 who are interested.
The ‘Borrowing and Returning of Books Competition’ has started and the class results are posted outside the library.
If you find any school library books at home, please return them, even if they are damaged or from a previous child at the school, so we can assess/repair them and replace them if needed.
Thank you - Mrs Marian Lopez - Library
