WORLD OF MATHS ..... 
The children had a terrific day and time with the World Of Maths last week and also on Tuesday. The students had the opportunity to be involved in a variety of problem type skills in which they had to attempt a few strategies in order to complete the problems. Students were in smaller groups and had the assistance of some of the year 6 students who were fantastic leaders for the day. This mathematics program has provided your children with an opportunity to learn some new skills and reinforce problem solving strategies taught in class. Thanks to Mrs Binning for the organisation of this event and we trust the students had a marvellous time.

K-2 PET EDUCATION 
Next Tuesday all infants’ students will have the opportunity to be involved with a Pet Education program run by Blacktown Council. Ms Bacon and staff will be organising this with staff and we trust students will enjoy the presentations.

MEET THE TEACHER 
Thank you for the strong turn out to last week’s Meet the Teacher afternoon. This was an opportunity to formally meet your child’s teacher and discuss the activities and routines of your child’s class. Some of the year 1 and 2 classes will be re-scheduling their Meet the Teacher afternoons due to staff absences on this day. We thank you again for your support.

SCHOOL UNIFORM 
This is a reminder that all students are expected to be in full school uniform. This includes hats and jumpers as well. From time to time students wear clothes that are not uniform and we would appreciate it if parents could assist the school by reinforcing our school uniform. Please come in to the office to look...
and purchase any uniform items.
Thank You
Mr T. Miladinovic - Principal

BULLY BUSTERS SHOW
As part of the school Positive Behaviour for Learning Program (PBL), we have organised a group to come and perform a BULLY BUSTERS show for our Year 1 – 6 students. The performance focuses on bullying behaviours and strategies to assist students in dealing with these issues when they arise.
The show will take place on Thursday 20th March, 2014. There is no cost for your child to attend this show. The cost will be met by the school as part of our PBL Program.
