Mutti Day Reminder
When: Tuesday 24th March, 2015
Cost: Gold Coin donation

The theme for this mutti day will be Easter. Students are encouraged to come dressed to celebrate all things Easter. Please remember the clothes and shoes students wear need to be appropriate for school.

Friendly Reminder:
For the safety of all our students at school, we ask that you do not park in the school grounds (front or back) at any time of the day.
We appreciate your co-operation in this matter.

World of Maths

Over the past two weeks, every class has had the opportunity to participate in 'World of Maths'. It is great watching students enjoy solving hands on maths problems and seeing how what they learn in class can transfer to real world problems. However, I was especially pleased when I heard that our students showed great determination and persisted with problems for long periods of time to solve specific challenges. The ability to keep working on a problem and not give up is one of the most important life lessons we can give our kids.
Thank you Mrs Binning, and congratulations to everyone on an amazing day.
**Design Competition**
As you know we have been building a roof to go over the small court yard in our front office area. We now need your help to design what this space might look like. The shape is 9 metres long and 8 metres wide. I want the area to be a comfortable place for families to use while they wait for appointments at the school as well as an interesting space for students to play board games in when they would like a break from the playground. The winner will be recognised as our designer with a picture of themselves on display and will be invited to a morning tea party at the grand opening.

**Building an Oasis (A flower & veggie patch)**

**When:** Tuesday 7th April, 9:00am.

**Where:** At the school, outside the K-2 building.

**Equipment:** Gloves, shovels & wheelbarrows – if it is easy to get them to the school.

Building an Oasis is a way for students to learn about healthy foods, grow things from seeds and compost, learn about healthy foods (there might even be some flowers for Mum). So I am asking for any volunteers from our community that would like to join me in a garden building and planting day on the first Tuesday of the holidays, 7th April (the day after the Easter long weekend) at 9:00am. If you are able to come along and help make planter boxes, fill them with dirt or help plant lots of plants, your help would be most appreciated.

**This is a family day so all children must be supervised by an adult on the day.**

Below is a slip that you can return to the office, so that I have an idea of numbers on the day.

---

Our family would love to come and help make some gardens / veggie patches on Tuesday 7th April, at 9:00am.

**Names of Adults / Children coming:**
