- **Week 5** - Be Respectful - Classroom  
  *Share and Take turns*
- **Week 6** - Be a Learner - Classroom  
  *Use time effectively*
Dear Families,

It may have come to your notice that one of our students was involved in a road accident while walking to school a short distance from the school this morning. I would like to reassure that the student is well – we are not aware of any serious injury.

I have spoken to one student who we understand might have seen the incident, but if you or your child, have any concerns, please do not hesitate to contact me.

**Crazy Hair & Socks**

I would like to congratulate everyone on the weird and wonderful hair styles and amazing socks we saw yesterday. We really appreciate so many families getting into the spirit of the day and our kids had a great time. A special thank you goes out to Miss Parkin for organising this fundraising event for our Kinder Zoo excursion next Friday and the brave staff who got dressed up and made the day even more special for our kids. I have asked some classes to take photos with their XO laptops and we will publish these on our Skool Bag app, in the office and on our new QR codes.
QR codes

**What are QR codes I hear you ask?** QR codes are simple bar codes that create a link to messages, photos and videos on your mobile phone. They are very easy to use and we have included instructions on how to put a QR code reader on your phone in this newsletter.

Why do I want a QR code reader? You will see signs around the school with QR codes, when you scan these codes with your phone you should see photos and videos of things we have been doing around the school and in our classrooms. It is another way for us to open up our school and let families see all the incredible things our kids do each day and the learning that is happening in our classes.

Have a lovely weekend

Stephen Bingon
Principal

---

**Water**

Tap water makes the best drink!
Not only is it thirst quenching, but also contains fluoride which helps make teeth stronger. Here’s what water has to offer:
- It is cheap and readily available
- It doesn’t contain and kilojoules or sugar
- It encourages optimal function of the body

We should all aim to drink between five to eight cups of water a day. In the warmer months it is important to keep well hydrated.
ATTENTION

FAMILIES

Preschool Enrolment is NOW Open for 2016!
Placement selection will be made at the start of Term 4, 2015.

Kindergarten Enrolment is NOW Open for 2016!
Orientation will begin at the start of Term 4, 2015

Come into the School Office now
This Fact Sheet provides an overview of some of the penalties that apply to illegal parking on all roads in School Zones.

If you stop in a ‘No Stopping’ area
- Fine from $319 + 2 demerit points

You must not stop your vehicle on a length of road or in an area in which a No Stopping sign applies.

No Stopping includes when the vehicle is not moving but the engine is still running.

If you stop in a ‘Bus Zone’
- Fine from $319 + 2 demerit points

You must not stop or park your vehicle in a bus zone for any reason.

This includes when the vehicle is not moving but the engine is still running.

If you disobey a ‘No Parking’ sign
- Fine from $177 + 2 demerit points

You are allowed to stop your vehicle only to set down or pick up passengers, or goods.

Your vehicle must not stop for more than 2 minutes. The driver must not be more than 3 metres from the vehicle.

If you stop on or near a ‘Pedestrian Crossing’ - Fine from $425 + 2 demerit points

You must not stop or park your vehicle on or near a pedestrian crossing to drop people off or pick them up.

If you are Double Parked – Fine from $319 + 2 demerit points

You must not stop your vehicle or park in the middle of the road to drop people off or pick them up. Always stop or park legally and safely at the edge of the road or in a parking area.

When you obey the parking rules, it makes it easier to see what pedestrians are doing.

More information over the page

For more information contact the Blacktown City Council on 9839 6000
Congratulations to all of our staff and students who participated in our Primary Athletics Carnival this week.

A BIG thank you to all staff who made the day a success and also to all our families and community who came along and supported our students.
HOW?

Instructions to install a QR scanner on your phone:

1. Go to:
   - For Windows Phone - Windows Store
   - For Android - Google Play Store
   - For Apple - App Store

2. Search “QR SCANNER” and install one

3. Simply scan our codes on posters, newsletters, classrooms
to keep-up-to-date!
