Term 4 starts on

Tuesday 6th October

(Monday 5th October
Public Holiday - Labour Day)
Dear Families,

At School we have had a very busy term with many events and upgrades happening every week.

We would like to thank all our students, families and the community for the support and dedication throughout Term 3.

I would like to wish all our School Families and Community a very happy and safe holiday, we will see you back on Tuesday 6th October.

Stephen Bingon

Principal
A Reminder of School Expectations

BE SAFE

⇒ Wear a hat in the playground

A reminder to all our families that Lethbridge Park PS is a Sun Safe school. All students need to wear a hat if they want to play in the sun. This is a very important habit for all students to develop and being responsible for your own belongings, including bringing a hat to school every day, is part of our Silver Badge values. We have a variety of styles of hats available to buy from the school office or bringing a hat from home is also welcomed. We hope to see everyone remembering to bring a hat to school!

⇒ Be in the right place at all times

A teacher is on duty to supervise students after 8:30am every morning. Arriving at school before this time is discouraged. If your child does come to school before 8:30am, the school expectation is that students wait in Area 5, which is a highly visible area of the school. Students are expected to sit quietly and ball games, running etc need to wait until a teacher is on duty at 8:30am.

Thank you for your support in keeping our students safe.

Catherine Binning
Deputy Principal

University of Western Sydney
First Foot Forward Family Night

The University of Western Sydney, First Foot Forward Primary program have been working with our Stage 3 students throughout the year, aiming to increase their educational and career aspirations. The program is running a Family Open Night aimed at providing parents with the necessary skills to be able to support and mentor their children with their higher education goals. Parents will have the opportunity to discuss their child’s potential future in higher education with our guest speaker and University staff. The night will be just as fun as it will be worthwhile, boasting interactive workshops that explore different study options facilitated by current university students. At the end of the night dinner will be provided (wood fired pizza) as well as a huge range of entertainment for the whole family!

All parents, carers and students are invited to attend the event on Thursday the 15\textsuperscript{th} of October at the Kingswood Campus. Registrations are essential; please use the link to be involved in this great event. \url{www.uws.edu.au/primaryfamilynights}

And the best part, the whole night is 100% FREE!
Science Day Extravaganza
Pirates

It was a beautiful sunny day at our school. We were in the classroom when a very mean man came into our room and he said to me “Give me all your money and all your gold or I will shoot you” in a very angry voice.

He was a very angry pirate. I was petrified.

Our teacher was taken hostage. He said “I will shoot your teacher with my super big double barrelled shot gun if you don’t cooperate. The class was trying to but we had no money so Mrs Rose gave him all her gold and money. The pirate took the gold and left.

By Robert

Pirates

When I was playing outside one day I suddenly saw a group of strange men coming towards me.

Then I realised they were pirates and they scared me because they had huge guns. I shouted out to them to “Go away” because we didn’t have any gold to give them.

All of a sudden gun fire started and they took Mr Bingon as a prisoner. The pirates wanted 2 boxes of chocolates to let Mr Bingon go free.

The all of a sudden Mrs Binning came out behind the bush and saved the day.
