Dear Families,

Meet the Teacher

I would like to invite all of our families to our meet the teacher afternoon next Tuesday (1st March). Our classrooms will be open from 3:00 to 3:30pm. This is an opportunity to see the classroom, look at the learning activities we do and to see how our classrooms work. We will also be having parent teacher interviews in week 9 this term, so that you will have the opportunity to discuss your child’s learning and what we can do at home and at school to ensure the very best learning outcomes for every student.

Preschool

For those of you who have children in our preschool, I hope you are enjoying the new extension. I have had a lot of positive feedback from the teachers about the new space and the new opportunities it is creating for our kids. I have also had some of the kids tell me it’s great because there is so much more stuff to do. I personally love the fact that there is now space for kids to build and make things, put them aside and then be able to come back to them the next day to continue their construction or creation.

If you have not had a chance to see the new renovations yet, please go up and have a visit. But I warn you the air conditioner has gone to their heads and it is very, very cold :)

A huge thank you to our fantastic teachers, Mrs Hennig, Miss Morley and Mr Salekin, for volunteering to coach these teams. Without you we would not be able to give our students these opportunities.

Zone Swimming Carnival 2016

Congratulations to Jackson McBain, Malakai Tuipulotu, Tyler Dixon and Taliya Graham who proudly represented Lethbridge Park PS at the Zone Swimming Carnival on Thursday 25th February. Although it was a hot day, our students competed to the very best of their ability and were rewarded for their efforts.

Congratulations to Jackson, who qualified for 3 events at the Regional Swimming Carnival.

A special thanks to Sue Cornish for all her assistance at both the school and zone swimming carnivals. It was greatly appreciated.
